

## ***Taiko Camp 2010 (MINI) is ON!!!!***

Save the date, and your cash on this one. September 18<sup>th</sup> and 19<sup>th</sup> will be a weekend to meet, greet, train, and show off your Taiko skills with your Taiko comrades.

Grass Valley Taiko is working with San Francisco Taiko Dojo to hold Taiko Camp 2010 (mini) in South San Francisco. In recognition of the interesting economy and the convenience of so many accommodations right there in the heart of the Bay Area, we are scaling down the accoutrements but keeping the quality and intention intact.

Join us for a full day of training on Saturday starting in the morning with the first class, followed by lunch on your own – brown bag, catch a local favorite, or possibly order from a deli truck (more details to follow!). The afternoon resumes with a shared BBQ dinner (grilled meat provided, *you bring a side dish*) and the best entertainment available – us! After we have played all we can, participants go to their choice of local hotels, hostels, or crash pads to rest. Sunday picks up with another class and closing. You'll be heading home by the afternoon! The bargain comes with the arrangements. We will bring you three full, top training sessions and you can choose the accommodations that will suit you.

### **WORKSHOPS**

We have planned a focused training that addresses physical skills and mental training. ***The price is \$110 FOR THE ENTIRE WEEKEND OF TRAINING*** (personal accommodations are separate). For Saturday only, the price is \$85. No “Single Workshop” arrangements are available. New Taiko students are welcome and encouraged! Please, best if age is over 13. Under 18 requires an adult permission.

**Body and Movement - Grand Master Seiichi Tanaka:** The flow of energy between the player and the drum is a critical component of Taiko. To understand this, one must know their own body and the flow of energy within it. This class will tap into the ancient arts of Chi Gung and Tai Chi to explore body movement and its connection to the body's center, and how it is grounded to the Earth.

**Katsugi Oke Daiko - Hiro Hayashida sensei** (ten year KODO performer): where you will spend time on the most basic yet the most important beating techniques; How to produce loud sound, sharp sound easily, how to produce good rhythm, and how to beat oke daiko satisfactorily. See him on his website, [www.hiroyukihayashida.com](http://www.hiroyukihayashida.com).

**Hachijo Daiko –San Francisco Taiko Dojo:** Learn the fluid and graceful style of Hachijo combined with the power and strength synonymous with San Francisco Taiko Dojo. As the only master with expressed permission to carry on the teachings of this song localized on the island of Hachijo, Japan, Tanaka sensei blends the two elements into a new song and style of his own to share with participants. Standard size bachi are needed.

**ALL WORKSHOPS ARE FULLY ANTICIPATED BUT MAY BE SUBJECT TO CHANGE BASED ON PARTICIPANTS' INTERESTS AND MASTERS' AVAILABLE RESOURCES.**

***Save the date! Spread the word! Send this to all of your Taiko friends.  
Keep the spirit of Taiko Camp alive....  
Gambatte!***
